

County Durham Diploma Delivery Model 3 (March 6th 2008)

All school / colleges / Work-based learning providers who have expressed an interest in delivering the principal learning of a diploma line are noted in the table. This information has been collated from information submitted in Gateway applications; feedback from BETT conference, where institutions were asked to express their interest in delivery of principal learning; feedback from recent diploma development groups; discussions with Headteachers and Principals. Version 4 will be produced following consultation.
